ABOUT MARQUETRY:

THERE'S MORE THAN MEETS THE EYE IN THIS MESMERIZING DESIGN. ABSTRACT HORIZONTAL BANDS FIT TOGETHER LIKE OVERSIZED PUZZLE PIECES, EACH WITH ITS OWN PATTERN RENDERED IN VARIATIONS OF COILING AND COLOR. THE EFFECT IS INSPIRED BY MARQUETRY, A PAINSTAKING TECHNIQUE OF CREATING AN INTRICATE DESIGN BY JOINING TINY PIECES OF WOOD VENEER AND FLATTENED STRAW, OFTEN IN WAYS THAT CREATE THE EFFECT OF MOVEMENT OR DIMENSION.
