ABOUT SATRIA:

THE ROUND SHAPE AND CONCENTRIC RINGS OF SATRIA ARE INSPIRED BY TRADITIONAL AFRICAN COILED BASKETS, WHILE THE ABSTRACT BANDS OF COLOR, WHICH SHIFT SLIGHTLY WITH EACH RING, ARE REMINISCENT OF IKAT PATTERNS. THE WEAVE DIRECTION AND VARIEGATED DYEING OF THE ABACA ADD FURTHER TEXTURAL VARIATION TO THE RUG. THE NATURAL COLORWAY IS RENDERED IN EARTHY, MONOCHROMATIC SHADES OF BROWN AND NATURAL.
