ABOUT ANTHEIA:

A STATEMENT DESIGN FILLED WITH NAIVE FLOWERING TREES, FRUITS, BIRDS, AND LEAVES, ANTHEIA WAS INSPIRED BY AN 18TH- CENTURY RUG THAT HAS BEEN SCALED TO FEEL FRESH AND SURPRISINGLY CONTEMPORARY. THE MOTIFS ARE STYLIZED IN A MODERN WAY, WHILE COLOR MOVES THROUGH THE PATTERNING OF THE HAND-KNOTTED WOOL CONSTRUCTION IN A PALETTE THAT'S VIBRANT YET CAREFULLY LIMITED.
