## ABOUT ARCADIA:

A BRILLIANT COLOR FIELD GROUNDS A NEOCLASSICAL ARCADE OF WINDOWS THAT LEADS TO IMAGINED WORLDS, CREATING THE EFFECT OF A PORTAL TO A CELESTIAL DIMENSION. THE HAND-KNOTTED TIBETAN CONSTRUCTION HAS A WOOL GROUND, WHILE THE WINDOWS ARE DONE IN A SUBTLE SILK OMBRE, IMPARTING THEM WITH A LUMINOUS QUALITY. MOONS, STARS, AND STAIRS ARE ALSO SILK, AND SHINE WITH AN ILLUSIVE LIGHT.
