ABOUT KYOTO:

DESIGNED IN COLLABORATION WITH THOMAS O'BRIEN, KYOTO WAS CONCEIVED AS A COMPANION TO OUR HAIKU RUG. HAIKU'S MAIN MOTIF, INSPIRED BY A VINTAGE INDIAN HAND-BLOCK PRINT, FORMS THE BORDER WHILE THE CENTRAL FIELD OF LARGE-SCALE OVERLAPPING LEAVES IS DRAWN FROM AN ART DECO-ERA PIECE FROM O'BRIEN'S COLLECTION OF ANTIQUE KIMONO SCREENS. THE UPDATED COLORS INJECT THE FORMAL SILK PERSIAN WITH A CERTAIN FRESHNESS.
