### ABOUT MEANDROS:

INSPIRED BY ORNATE INLAID PARQUET FLOORS, MEANDROS IS DEFINED BY ITS POETIC BORDER. A FLOWING PLAY ON AN ANCIENT PATTERN, IT TURNS THE CLASSIC GREEK KEY INTO A RIBBON-LIKE LINE THAT ROMANTICALLY TWISTS AND TURNS AROUND THE EDGES OF THE RUG. THE HAND-KNOTTED PERSIAN CONSTRUCTION IS DONE IN WOOL AND SILK, AND THE DYING PROCESS ADDS INTEREST—AND A SUBTLE STRIE—TO THE SOLID GROUND.
