

MUSA ABACA

Elegant and artisanal, this handcrafted abaca wallcovering is made from the same subtly sheeny natural fiber used in our rugs. Beautifully textured with an intricately woven surface, it is more refined than grasscloth and comes in a rich yet muted palette with a slight ombré effect that gives it a sunwashed feel. And it comes with all the best properties of abaca: it's eco-friendly, super durable, and can withstand high traffic.
