

PATEK WOOL BOUCLÉ

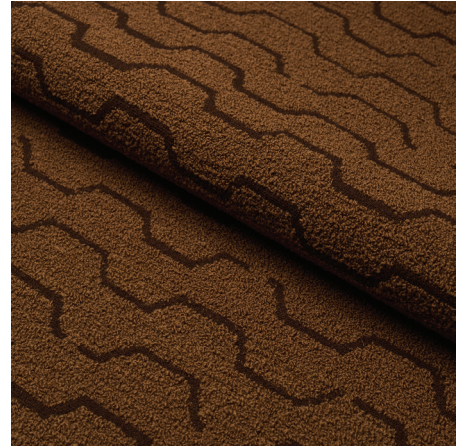

Inspired by one of Patterson Flynn's most popular carpet designs, Patek Wool Bouclé derives its elegant, articulated stripe from Tibetan tiger motifs. Made of 100% worsted wool that is spun, dyed and woven on a jacquard loom in Scotland, this abstract geometric is made of chunky yarns that create a nubby texture and soft, heathered stripes. Cozy and cossetting, this versatile, medium scale upholstery fabric is perfect for a headboard, sofa or pillows.
