ABOUT VILLA TRIANON:

INSPIRED BY BOTANICAL ILLUSTRATIONS, THIS AREA RUG CELEBRATES FLOWERS, FERNS, AND FOLIAGE IN SHADES OF PINK AND GREEN ON AN IVORY GROUND. EACH OF THE UNIQUE BOTANICALS IS CONTAINED WITHIN A GREEN PICTURE FRAME ACCENTED WITH AN IVORY LABEL MOTIF. WITH THE FAUX FRAMES AND DETAILED ILLUSTRATIONS, THE PATTERN BEAUTIFULLY BLENDS THE ROMANTIC AND THE SCIENTIFIC, ONE OF DESIGNER JOHNSON HARTIG'S TRADEMARKS. PART OF HARTIG'S FIRST COLLECTION WITH PATTERSON FLYNN, THIS PERSIAN HAND-KNOTTED RUG IS CRAFTED IN WOOL, WITH THE FRAMES KNOTTED IN SILK FOR A DELIGHTFUL CONTRAST IN TEXTURE AND SHEEN.
